

*International Symposium on Semiconductor
Manufacturing (ISSM) 2024*

Student Poster Award

Presented to

*Kanta Kibishi
Kogakuin University
for*

*Strong amorphization in In₂O₃-based flexible
transparent conductive films by hydrogen incorporation
and higher sputtering pressure*

December 9-10, 2024

*Shin-ichi Imai, Hitachi High-Tech Solutions Corporation
International Symposium on Semiconductor Manufacturing (ISSM) 2024
Program Committee Chair*
